The Deer & His Antlers

A deer came to drink at a spring and saw his reflection in the water. He admired his beautiful wide antlers, but he thought his legs looked skinny and weak. Just then some hunters approached, and he dashed away. His swift legs, which he thought were ugly, saved his life -- until his beautiful wide antlers got caught in some branches and he was captured.

Moral: People often don't know their own strengths and weaknesses.

At al-Barran Midwinter we offered Cathen Fitz Gerald admittance into the order of Chivalry and bestowed it on him that evening. At the same event we offered Duchess Mikulina admittance into the Order of the Laurel, her answer will be at the Crown Tournament.

At Caerthe 12th Night we offered Samuel de Grace admittance into the order of Chivalry, his answer will be know at War.

Congratulations to all of those who where recognized at our winter celebrations.

Thank you to Lady Moyra MacColla for all the hard work she has done as the Equestrian Marshal. We hope to see many more great achievements she will bring to the noble equestrian arts. Welcome to The Honorable Lady Siubhan MacDuff the incoming Equestrian Marshal.

We would like to thank all those populace members who have given largess. We are grateful for the generosity of Our Kingdom.

Though we have been trying hard we cannot create an heir. Thus we will hold a Crown Tournament. We call all members of the Chivalry to enter the list so that we can show our might as an united kingdom. We require all entrants to submit a letter of intent by March 3 for entry to the list. Those worthy of the crown weighting upon their brow should bring all weaponry forms, gauntlets, and their shields in order to be prepared for the whim of the King

May your travels be lit by the sun and the moon.

In addition to an IKEqC competition, Lady Averick is devising a challenge course whereupon the riders must prove their skill at bringing in the finest quarry. An indoor arena will be available for our use in case of inclement weather. Overnight stabling will be available. Authorizations will be held early in the morning of the event only, and you must arrange for your own mount. Equestrians are strongly encouraged to wear heeled footwear, and all minor equestrians must wear ASTM approved riding helmets.

Her Excellency Mistress Rashiqah, Baroness of Unser Hafen, has graciously volunteered to sponsor a hunt garb competition, so come out in your finest hunting habits.

This wondrous event will take place at the Mountain View Stables and Arena at 2100 S.E. Frontage Road in Fort Collins.

The site fee will be $6 for all adults, $2 for children age 6-15, and children 5 and under will attend for free. Mounted equestrians will be required to pay an additional $4.

Make checks payable to SCA- Unser Hafen.

Please send reservations to Lady Averick at the below address.

Kingdom Officer's Reports

From the Kingdom Seneschal

Good Day All,

As you read this, many of you are putting on the finishing touches on armor, weapons, arts & sciences entries, and hopefully getting the vehicle in good running order for war. By now group officers are putting the finishing touches on last year's domesday or have already sent it off to their Kingdom officers. The greatest work has been completed and we can now all focus on the most important aspect of this wonderful thing we call the SCA. . . FUN!!!!

Fun is the reason we all do what we do. The deep bruises that take weeks to heal, the cramped fingers from long hours of sewing, the long hours of driving, we have all found to be fun or by now we would have stopped doing them. We revel in the blood, sweat and tears we shed to be the finest artisans, or archers, or warriors because we have also found a family that finds the crazy things we do to be as great as we think they are. For that I say Huzzah.

As you go off to war (or stay home and revel) remember that it is the quest for fun that drives us all. Put away problems you may be having with another and for a short while work at having fun. The stresses and fatigue of war can make people short. This year take a step back from any bad feelings that occur and put your energies into making this year the greatest experience in your SCA life. It may take work, but anything that is worth while does.

I always try to leave with a thought toward safety. This month is no different. Every year we are in a rush to get to war and in a rush to get back. We often are tired and should rest, but don't. Please remember to switch drivers often and take adequate breaks, especially when coming home. I look forward to seeing you on the Fields of Estrella, and even more to seeing you safely back at home afterwards.

Syr Rhys Afalwin

From the Outlands General

Unto the populace of the Outlands, war is upon us. Soon we travel west to meet the armies of Caid and Artemsia in combat on the field. We will be aided in our cause by the Kingdom of Atenveldt and by our brethren in Calontir. Instruments of war are not only sword, spear, rapier and bow but also the tools of the artisan and the commitment of our waterbearers, marshals and heralds. The Outlands continued success at Estrella War has always hinged on our total War Effort.

As you well know, this year we are camped quite far from the battlefield. To help ease the long march, an area has been arranged to leave arms and some armor between battles.

All those thirsty for combat, muster at the grand pavilion Friday 9 a.m. But first, we must get there. In the words of Sir Dennis the Right, " The war is not won until the roads are won." Travel safely.

To the warriors I simply say this, In all your life, at least once you dreamt of being a hero. This is no dream, and now is your time.

Glory. Majesty. Unity.
In service to the Crown,

Earl Joseph Cameron Blackswan

From the White Stag Principal Herald

Greetings.

Here are the Outlandish results from the Letter of Acceptance and Return from the Laurel Queen of Arms dated September 23, 2000. It includes decisions on items submitted on the Outlandish Letter of Intent of March 15th. Comments are quoted directly from Lady Laurel's letter. Typos are decidedly mine. Clients referenced in this letter can expect to receive letters from the Rampart Herald in the upcoming week or two.

The following items were registered; congratulations.

Adam Stedefast. Name.

Alwyn of Kittisford. Device change. Per saltire azure and gules, a compass star pierced within a bordure Or. His current device, Per saltire azure and gules, on a compass star Or a pellet and a bordure Or, is released. While we are blazoning this as pierced, this does not mean that we will allow compass stars to be pierced on fieldless badges. In this case, it is simply shorthand for "on a compass star a roundel per saltire azure and gules."

Daniel Archer the Bear. Name.

Donnchadh mac Shithich. Name. Submitted as "Donnaichadh S{i'}omaigh MacKeith," he requested a name authentic for 15th century Scotland. We have therefore not only dropped the middle name, not used in Gaelic, and changed the given name to a documented spelling but also changed the patronymic to a Gaelic form as well. The name could have been equally possible in the entirely Anglicized form "Duncan MacKeith."

Gabriela Silvana. Name. Submitted as "Gabrielle Silvanus," we have changed the given name to a documented period form and the byname to the proper feminine form.

Galiana fitz William. Name and device. Argent, a tablot passant sable and a chief indented gules. Submitted on the LoI as "Galiana William," we have changed the name back to the form originally submitted. The device was blazoned as having "three triangles issuant from chief." This style of indentation can be found in period (for example Lowell of Balumbye (Lindsay of the Mount, pl. 107)), but it was blazoned as either "indented" or "three piles." As current scholarship believes that such chiefs were originally "indented" with deep indentations, we decided to blazon it as "indented" and leave the depth to artistic license.

Gwillim Glamorgan. Name.

John of Ravenspur. Device. Per bend sinister gules and sable, on a bend sinister between a mermaid in her vanity and two arrows inverted in saltire Or three stars of David palewise azure.

Outlands, Kingdom of the. Heraldic title Ardent Herald.

Outlands, Kingdom of the. Heraldic title Black Elk Herald.

Outlands, Kingdom of the. Heraldic title Cat's Paw Herald.

Outlands, Kingdom of the. Heraldic title Musimon Herald.

continued next page

Simonis Karatas. Device. Per fess azure and vert, on a fess wavy argent a cat sejant contourny guardant sable, in chief a plate.

Talore MacConlae. Name and device. Azure, a chevron argent between in dexter chief a sun in his splendor and in base three aspen leaves Or.
The use of a single charge in dexter chief and three charges in base creates a very unbalanced appearance; however, as this is the only oddity in this device, we have decided that it is *barely* registerable.

The following items were returned for further work:

Adam Stedefast. Device. Per chevron azure and sable, a phoenix Or rising from flames proper issuant from the line of division and a rose argent.
The flames should not extend along the entire line of division, but should only be under the phoenix's body and slightly beyond. By extending to the edge, the flames appear to be a chevron of flame, which is not allowed. In addition, while not a reason for return, the per chevron line should extend higher onto the field.

Daniel Archer the Bear. Device. Per pale Or and vert, a bear sable and a lion Or combatant within a bordure embattled counterchanged.
The addition of a bordure does not remove the appearance of marshalling, as required in RfS XI.3. Because the bordure is counterchanged the coat is a legitimate impalemtn of "Or, a bear rampant contourny sable within a bordure embattled vert" and "Vert, a lion rampant within a bordure embattled Or." The embattling does somewhat reduce this appearance, but, as complex bordures were used for cadency on quartered arms, we believe that embattling the bordure is insufficient to remove the appearce [sic] of marshalling for impaled arms as well.

Gabriela Silavana. Device. Vert, a tree blasted and eradicated argent.
Coinflict with Ioseph of Locksley, "Vert, a tree eradicated argent." There is no CD between a tree eradicated and a tree blasted and eradicated, as noted in the August 1994 LoAR ({AE}lfwine Akeworthe, p. 18). This is because there are period depictions of trees with only a few leaves. Therefore, there is but a single CD for the addition of the chief.

From the Kingdom Archer General

Greetings Archers of the Outlands.

Are you ready for WAR?!! This year, for the first time, we will have the chance to win three (3) war points for target archery. This means you need to come to the archery range both Friday and Saturday. Each day will offer 12 new scenarios for your shooting pleasure and an opportunity to win 1 1/2 war points. We have put together a variety of shoots that will entertain and challenge even the most skilled of archers. For those of you who think they don't shoot well enough to make it worth showing up, THINK AGAIN! All scores will be divided into divisions, based on total score, and the top ten scores of each division will be used to determine the victor. YOUR SCORE COUNTS! The Outlands won the highest division last year, not a surprise because we have the best archers, but lost in the other four divisions due to lack of scores in the upper part of those divisions. Bring your bow! Bring your arrows! The Outlands needs you!! It will only take about an hour to an hour and a half, each day, to complete the course.

There will be a Known World Archery Competition on Sunday, as usual. There will also be an assortment of prize tourneys offered by various groups. The Golden Pheons will sponsor an elimination wand shoot. First prize is a $100 gift certificate to www.woodbows.com for a custom self-bow. Baron Caomh Beathan Crubach (Gentle Ben) has generously donated the money for the bow. To go with this bow is a dozen custom self-knocked arrows donated by Lord Larke the Fletcher. Second prize is a leather quiver and third prize is a leather armguard. Caerthe may also be sponsoring a prize shoot, but the details were not finalized by the time I wrote this. There were some very nice prizes awarded last year by the other Kingdoms, as well. Outlands archers won their fair share of the prizes last year. Let's do even better this year.

TO WAR!!!!

THLady Ailinn Shadowfox

From the Kingdom Knight Marshal

Hail Outlanders,

The time for Estrella War is almost upon us! Now is the time when all of our training at tactics and teamwork will pay off. Woe to those who oppose us! Once again I ask that all fighters to do a final check of their weapons and armor to make sure everything is in good working before making the long trip. Also, check your green cards, it'll be easier to get them updated before you leave.

To all those good gentles who are interested in marshalling, we will certainly need your aid as well. The Outlands will be responsible for manning the marshals point for armor and weapons inspection on Thursday from 5:00pm till 8:00pm, and we will also need to have representatives there Friday and Saturday before the battles. We will of course also need as many field marshals as we can get during the battles as we can muster. Anyone interested should find me at the war before the battles for instruction, or meet on the field before the battles.

All fighters AND marshals should read the treaty which was published in December's OH in order to familiarize themselves with the rules, conventions, and scenarios that will take place at this war!

Fight valiantly, fight honorably and have fun!

Syr Hrothgar

From the Kingdom Minister of Arts & Sciences

Estrella is fast upon us. Please remember to bring your entry to the War. If you cannot go to the war, please send it with someone who is going.

The entries are: Scientific Instruments, ceramics and Hats.

The new A&S handbook is available online. I haven't mailed the physical on out yet that I promised so many months ago. I will be filling that promise sometime in the near future.

The upcoming months promise many A&S events. I look forward to attending as many as I can. If you have any questions or suggestions for competitions, displays, etc., I will be glad to hear them. Please put them on paper and at one of the sessions during Stagscon this year we will discuss.

Stagscon will be sometime this summer so as soon as the date is announced please put it on your calendar. It will be held in the Barony of Caerthe this year.
I would like as many of you as possible to attend. If you cannot attend please send a deputy or a report. I will have a slate of classes and issues the will be discussed in the upcoming months. If you have any ideas please send them to me.

Yours in service,
THLady Jorunn nic Lochlainn

Event Announcement Information

Listed below you will find the requirements that have been set forth for Outlands Event Announcements. Please note that those items listed as 'Mandatory' must be present in the appropriate event announcement, or I will be unable to print the announcement.

Mandatory in ALL event announcements:

Mandatory in FINAL event announcement (Month of):

- All above information
- Site Open and Close times
- Alcohol Status (Wet, dry, discreetly wet, etc.)
- Directions to site (include distances, street names, etc.)
  - Do **NOT** assume signs will always be visible
- All associated costs (site, feast, discounts, etc.)

Optional, but highly recommended:

- A map to the site
- Schedule of events
- Feast menu (if feast is provided)
- Other pertinent site information (pet restrictions, water availability, etc.)

'Contact Information' for autocrats as mentioned above is defined as: SCA Name, Mundane Name, address, phone number with area code, and an E-mail address if one is available. Contact Information' for other coordinators as mentioned above is defined as: SCA Name, Mundane Name, phone number with area code, and an E-mail address if one is available.

Autocrats, please take notice of the article size constraints, and try to stay within them. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A March event MUST run in the March OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the three (3) publication limit. Additional printings may be purchased at the current advertising rates. Kingdom Events (Crown, Coronation, A&S Competition/Collegium, and others as designated by the Crown) receive one (1) page in the publications prior to the event, and two (2) pages the month of the event. Non-Kingdom Events receive one-half (½) page in the publications prior to the event, and one (1) page the month of the event. Additional space may be purchased for any publication month at the current advertising rates. Current advertising rates are listed in the front of the Outlandish Herald. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication. The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (½) page article, and 600 words in a one (1) page article.

Art Credits: Cover: Dover Clip Art, p. 33 Chronicler Files (Suzanne Grey?), all other pages with artwork: Chronicler Files.
